

'WEEN DREAM Mission Statement

It is the sole mission of 'WEEN DREAM, an all-volunteer 501(c)(3) nonprofit, to provide free Halloween costumes to children in need. This mission is accomplished as follows: Throughout the year, people across America donate their kids' gently used costumes to 'WEEN DREAM. Our volunteers inspect, sort, label, catalog, and store the costumes so that they can be matched to kids in need the following October. At the beginning of Halloween season, donated costumes are matched and given to children in need. If there is no appropriate donated costume match for a child, or if the child requires a new costume for medical reasons, 'WEEN DREAM makes a public request for a donor to purchase a new Halloween costume for that child.
